

25X1 ✓ 14. [Redacted] LIAISON Talked to Thomas Latimer, Staff Director, House Permanent Select Committee on Intelligence, and told him that the Agency would not be able to release psychological examinations on [Redacted] both due to Privacy Act as well as medical ethics. Mr. Latimer requested that I put this in writing in order for him to have something to show Representative Romano L. Mazzoli (D., Ky.) in the event the latter should ask.

I confirmed with Mr. Latimer his presence at the 26 October Support Officers Conference [Redacted]

25X1 15. [Redacted] LIAISON Talked to Joe Sikes, on the staff of Representative Henry Reuss (D., Wis.), and informed him that the Agency will not be able to fulfill the request for an Agency representative to meet with the Congressman's cousin who is writing a novel, a small portion of which makes reference to the CIA. I suggested an alternative, that the novelist might refer to a few well written books on intelligence by Allen Dulles and William Colby. Mr. Sikes appreciated our response.

25X1 16. [Redacted] LIAISON Called John Jaminson, Library of Congress, to provide him with unclassified information on the price of natural gas in the North Seas, England, and Norway. Mr. Jaminson thanked me for the help.
